

About Me

As one of the new generation celebrants, I am a proud and active member of three professional celebrant associations, adhering to their Codes of Ethics in addition to the minimum prescribed by law.

My professional career was in banking, purchasing and supply management with major national and international companies and as Managing Director of a consulting company.

I have been an active lay minister with a major Christian denomination for 30+ years, and have held numerous local, regional and national positions.

Married for 40+ years, I have three adult children and six beautiful grandchildren. Other interests include genealogy, computing, classic cars (my own being a 1947 Austin Sixteen), snorkeling, and I'm a compulsive reader and studier.

I have served on the committee of Celebrants Australia for a number of years, and am a Past President.

I offer traditional, contemporary and Christian marriage ceremonies.

NOTE: I do not perform pagan, New Age, or anti-Christian ceremonies.

Everyone is entitled to an affordable, quality and professional wedding.

For further information or to arrange an obligation free meeting don't delay if you are considering marriage within the next six months. I accept bookings up to 18 months in advance of the proposed wedding date.

Your Wedding Day

Hello and congratulations on your forthcoming wedding day.

This will be one of the most cherished and important days of your life.

You are confronted with many choices — the type of ceremony, the venue/s for the ceremony and reception, the wedding party, guests, celebrant, the benefits of pre/post-marriage education and much more.

A professional celebrant will be able to ensure the ceremony is as smooth and happy as possible, leaving you to concentrate on other matters.

A celebrant should loan you resources to assist you to decide the style and content of your ceremony, provide an extensive range of poems, readings and options. You can write your own ceremony (including vows) or provide clear guidance for your celebrant to craft a unique one, reflecting and honouring the uniqueness of you.

I would be pleased to celebrate at your marriage, and offer [an obligation free meeting](#) for you to interview me.

Marriage is a wonderful institution and I sincerely wish you a marvelous day and a long and very happy life together.

Peter Hooper

Indicative Fee structure

Rather than changing one flat rate I offer a range of options to try to meet the budgets of all couples.

The following are some popular options with [indicative](#) pricing. At our first meeting I would be pleased to confirm the fee.

Intimate from \$275*

IMPORTANT NOTE: Both the Intimate and Registry Alternative ceremonies have restrictions regarding the hours and days of availability.

They are offered as a convenient alternative to a Registry Office marriage, with competitive fees, choice of [SET](#) ceremonies, and greater flexibility.

These ceremonies are [not](#) equivalent to a standard full service ceremony. A rehearsal is not included in the fee and travel is limited.

Monday-Thursday 10:00am - 5:00pm \$275*
Fri-Sun, Pub Hols 10:00am -11:30am \$300*

Simple and no fuss for those wanting an intimate, private or elopement ceremony.

Limited to Bride, Groom and four (4) guests.

Email/phone contact plus one meeting at Chelsea at which all paperwork shall be completed and all fees paid.

The venue is usually at the couple's home, in the gardens, or sometimes at my home by arrangement.

Included travel: 50km (Chelsea return)

Registry Alternative from \$300*

Monday-Thursday 10:00 am—5:00 pm \$300*
Fri-Sun, Pub Hols 10:00 am -11:30 am \$330*

Similar to the Intimate Ceremony for up to 20 guests. Choice of [set ceremonies](#); [no rehearsal](#), two meetings (plus email/phone). Your home, garden, beach etc..
Included travel: 50 km (Chelsea return).

Standard Ceremony approx \$400—\$450*

Monday—Thursday c. \$400*
Friday—Sunday, Pub Holidays c. \$450*

Up to four meetings at Chelsea, plus email/phone contact; ceremony custom written to your specific requirements with bound presentation copy; processional; readers; PA system if required; rehearsal at venue etc..
Included travel: 100 km (Chelsea return).

Ceremonies around \$400-\$450 typically meet the needs of most couples. However, if your requirements are a little (or a lot!) more elaborate or require working with another celebrant (eg pastor) can all be accommodated.

Any additional mileage and toll fees etc will all be included in your firm quote. **Entrance fees for venues, car park fees, taxis, ferries, hot air balloons etc are to be paid by the clients.**
